The message below was sent to Superintendents yesterday afternoon. As you can see, all Dual Credit Expansion Grant applications have been reviewed and **approved**. I am working with our Fiscal Office to get the approved grants into the eGMS system. I will provide an update following the review and approval of the additional applications received through the extension period.

Please let me know if you have any questions.

Dual Credit Expansion Grant

The CSDE is **extending the deadline** for submitting an application to the Dual Credit Expansion Grant to **Friday, July 28, 2023 at 5:00 PM EDT**. As of the prior deadline of July 17, 2023, the CSDE had received 78 applications requesting a total of approximately $3.7M. **The CSDE is pleased to confirm that all 78 applications are being approved for funding**. The CSDE also expects to approve any new applications received by 5 PM on July 28, 2023 for funding, so long as they conform to all grant requirements and expectations. The CSDE has hosted a series of information sessions since announcing the grant on May 1, 2023. Recordings for each of the sessions are posted on the Dual Credit Opportunities website. The CSDE has also created and posted a Dual Credit Expansion Grant FAQ to support any remaining districts to develop their applications. Please reach out to Renee Savoie at Renee.Savoie@ct.gov if you have any questions.
